

2024-25 U.S. Nordic Combined Team Nomination Criteria

Eligibility for Consideration

U.S. Ski & Snowboard will consider for selection only those U.S. Ski & Snowboard members in good standing who have a valid U.S. passport, a valid USA-coded FIS license, and who meet FIS minimum eligibility standards.

An athlete shall be ineligible for consideration if previously suspended or removed from team membership without having been reinstated by U.S. Ski & Snowboard. An athlete who has previously declined an offer of team membership shall not be automatically offered team membership unless that athlete specifically requests consideration, and the U.S. Ski & Snowboard Ski Jumping & Nordic Combined Sport Director approves the request.

U.S. Ski & Snowboard will select only the most qualified athletes with the greatest possibilities for winning medals in future World Championship and Olympic Winter Games competitions. Selection criteria will stress performance in the Nordic Combined World Ski Championships, World Cup, Continental Cup, World Junior Ski Championships, and Grand Prix in the 2023-24 season. Selection criteria will also stress progress toward individual performance markers, set forth by the U.S. Ski Team coaches, which point toward international success.

Athletes must demonstrate a capability to adhere to U.S. Ski & Snowboard Values and Code of Conduct to be eligible for nomination.

- The U.S. Ski & Snowboard Ski Jumping & Nordic Combined Sport Director is responsible for applying the selection criteria set forth herein, subject to the oversight of the U.S. Ski & Snowboard Chief of Sport.
