

INTERNATIONAL JUNIOR CAMP - NORWEGIAN SKI FEDERATION REQUIREMENT

10 athletes, minimum 4 athletes must be female athletes. If the nations come with 2 coaches, minimum 1 coach must be female.

The camp is only for athletes born in 1999 and 2000 with FIS point lower than 200

SELECTION CRITERIA:

1. LOWEST ranking on the FIS Distance Or Sprint World Ranking List (athletes born on or between 1999 or 2000). Tie breaker goes to the athlete with the LOWEST FIS World ranking in their strongest discipline (Distance or Sprint). The second tie-breaker goes to the athlete that has the LOWEST FIS World ranking in the weaker discipline (Distance or Sprint). The third tie breaker goes to the athlete with the lowest "Overall Ranking" on the US National Points List.

2. Athlete gender make-up will follow the Norwegian Ski Federation's minimum gender requirement (minimum 40% female athletes) & then use strength of field based on FIS World Ranking for both Distance and Sprint. A female-to male equalizer shall be used to equalize the larger depth of field for men. That equalizer will be a multiplier of 2/3 which is consistent in what we use for National Training Group and International Continental Cup selection criteria. (Example: Male ranked 500 in sprint and female ranked 400 in sprint - $500 * \frac{2}{3} = 333$ vs 400. The male athlete would win the "gender tie-breaker."). A second tie breaker would be to compare lowest FIS ranking in the weaker discipline (distance in this example) & utilize the same 2/3 multiplier. A third tie breaker would use the same multiplier comparing "Overall Ranking" of U.S. National Points.

PROPOSED SELECTION CRITERIA

IJC Invites:

FIS World Ranking (with 2/3 equalizer)

1	Ben Ogden	260.6666667	
2	Gus Schumacher	310	
3	Noel Keeffe	298	
4	Molly Gellert	339	
5	Wyatt Gebhardt	400.6666667	
6	Luke Jager	409.3333333	declined
7	Canyon Tobin	440.6666667	declined
8	Sofia Shomento	567	
9	Mae Chalmers	575	
10	Abigail Jarzin	576	

First alternate is Ti Donaldson – accepted his nomination
