U.S. Ski & Snowboard may select additional athletes to the Team using coaches' discretion, using factors other than objective criteria such as:

- Outstanding competition results from the 2017-2018 or 2018-2019 seasons.
- Recent positive direction or trend of competition results indicating a potential for Olympic success.
- Indication of medal potential in future Olympic or World Championship competition (such as international age group results and rankings) that would be materially enhanced by selection to the team.

All discretionary selections will be documented and appropriate forms will be available for record keeping purposes. All discretionary selections will be reviewed by a discretionary selection review group comprised of USANS Executive Director, the Chief of Sport, and the athlete representative from that sport who is a member of U.S. Ski & Snowboard Board. If U.S. Ski & Snowboard Board Athlete Representative is also a currently competing athlete then another athlete, who is not actively competing, will be selected by the Athletes' Council to be the representative in this group.

Athletes may also petition directly to the Selection Committee to be considered for discretionary selection by submitting, in writing, a petition including any rationale to the Executive Director of USANS Bill Demong ([Billy@usanordic.org](mailto:Bill@usanordic.org)).

**Injury Clause:**

An athlete shall be ineligible for consideration if he/she is not fit to compete at the time selections are made due to any injury or illness from which he/she is not expected to recover adequately by the time of the competitions he/she has been selected for. Such determination shall be at the discretion of the USANS Head Ski Jumping Coach, Athletic Director, Head Team Physician, in consultation with U.S. Ski & Snowboard Medical Director, and the athlete's designated physician.
