United States Ski & Snowboard

2020-21 U.S. Snowboard Halfpipe Team Nomination Criteria

Eligibility for Consideration:

U.S. Ski & Snowboard will consider for selection only those U.S. Ski & Snowboard members in good standing who have a valid U.S. passport, a valid USA-coded FIS license and who meet FIS minimum eligibility standards.

An athlete shall be ineligible for consideration if previously suspended or removed from team membership without having been reinstated by U.S. Ski & Snowboard. An athlete who has previously declined an offer of team membership shall not be automatically offered team membership unless that athlete specifically requests consideration and the U.S. Ski & Snowboard Halfpipe Snowboard Head Coach approves the request.

The U.S. Snowboard Team will select only the most qualified athletes with the greatest possibilities for winning medals in future World Championship and Olympic Winter Games competitions.

Selection criteria will stress progress toward any individual performance markers, set forth by the U.S. Snowboard Team coaches, which point toward international success.

Athletes must demonstrate a capability to adhere to U.S. Ski & Snowboard Values and Code of Conduct to be eligible for nomination.

Criteria Guidelines:

- The U.S. Ski & Snowboard Halfpipe Snowboard Head Coach is responsible for applying the selection criteria set forth herein, subject to the oversight of the U.S. Ski & Snowboard President & CEO, Halfpipe/Slopestyle/Big Air Head Coach, and Sport Director.
- Objective selections shall be based on the results achieved by athletes in competitions held between November 1, 2019 and March 29, 2020 (“the selection period”) and the World Ranking as determined by the Halfpipe World Snowboard Points List (WSPL) valid on April 24th, 2020
- Discretionary nominations, if any, may be based on a variety of factors, including competitions conducted outside of the selection period.
- Team status does not guarantee funding from U.S. Ski & Snowboard for competition or for preparation.
- No minimum team size will be established.
- A maximum of 10 Pro Team athletes and 6 Rookie Team athletes will be nominated using the objective criteria outlined below. If more than 10 Pro Team and 6 Rookie Team athletes qualify under the objective criteria then athletes will be nominated in order of the following priority:
Athletes qualifying under the two top 3 result based criteria  
- Athletes qualifying under the Top 3 U.S. Ranked men and women criteria  
- Athletes qualifying under the YOB criteria nominating the highest ranked athletes, regardless of YOB, until the maximum team sizes are met.

- Athletes who have been given individual performance criteria to meet will be subject to those specific criteria and not to general criteria as outlined below.

- Athletes who are nominated to the Pro or Rookie Team for the first time will receive a 2-year team nomination.
