2019 FREESKI SPORT COMMITTEE MEETING MINUTES

U.S. Ski & Snowboard Congress 2019
Center of Excellence, 1 Victory Lane, Park City, UT
May 15, 2019

COMMITTEE MEMBERS
Tom Yaps - Chairperson - present
Michael Spencer - AFP/FIS - absent
Ryan Carey - Far West Rep - absent
Coggin Hill - PSNA Rep - phone
Tyler Conway - Intermountain Rep - phone
Tony Lodico - Rocky Rep - present
Martin Sundquist - Central Rep - present
John Kimble - Eastern Rep - present
Mike Papke - Northern Rep - resigned
Jeremy Forster - Freeski Sport Director - present
Tai Robinson - Judges Rep - present
Tom Wallisch - Athlete Rep SS (BOD) - present
Brita Sigourney - Athlete Rep HP - excused
Joss Christensen - Athlete Rep BA - excused
Maggie Voisin - Athlete Rep At-Large - present
Keith Shipman - Coaches Rep - present
Ashley Deibold - Sport Development Manager - present
Wes Preston - R & O Rep - present
Dan Shuffleton - At-Large - present
Chris Haslock - At-Large - present
Mike Mallon - USASA Rep (non-voting) - present

OTHERS IN ATTENDANCE
Warner Nickerson
Sarah Welliver
Andrew Gauthier
Deb Newson
Mike Jankowski
Jess Luscinski
Mike Doyle
Nat Schirman
Greg Ruppel
Keith Shipman
Jack Boyczak
Rob LaPier
Dean Spirito
Kim Raymer
Mike Kirchner
Nick Alexakos
Andy Wise
Ryan Wyble
Justin Schmaelzle
Tim Massucco
Lewis Sundquist
Katie Fieguth

- Chairmen’s Welcome: Tom Yaps
  - Yaps called the meeting to order and went through the introductions and determined that a quorum was achieved with those who were present.
• 2018 Minutes Approved
  ○ Approved by acclamation

• Committee Member Nominations
  ○ Far West Representative- Ryan Carey re-elected by acclamation
  ○ PNSA Representative-Coggin Hill re-elected by acclamation
  ○ Rocky Representative
    ■ Tony Lodico to step down, Greg Rupple elected by acclamation
  ○ Central Representative- Martin Sundquist re-elected by acclamation
  ○ Eastern Representative- John Kimball re-elected by acclamation
  ○ Northern Representative- Mike Papke to step down. No one is elected to fill this spot.
  ○ Athlete Representative – BA – Joss Christensen re-nominated and elected by acclamation
  ○ Athlete Representative – SX – Taking place at 1 PM in subcommittee
  ○ Athlete Representative – At large – Maggie Voisin nominated and elected by acclamation as new at-large athlete representative to comply with USOPC 20% athlete representation requirement
  ○ Coaches Representative – Elana Chase to step down. Keith Shipman elected by acclamation
  ○ Judicial Committee – Dan Shuffleton nominated and elected as the third member of the judiciary committee by acclamation

• Old Business
  ○ No old business discussed

• New Business

• Freeski Department Report- Jeremy Forster
  ○ First year of Freeski, Snowboard, Freestyle structure has been a success
  ○ Season highlight-World Championships, won overall medal count
  ○ Big Air Ski- confirmed for 2022 Olympics
    ■ Olympic Criteria to begin being written in Summer 2019 (1 year prior to first qualifier event)
    ■ Requirement for Slopestyle and Big Air athletes to be connected, no substitution for “Big Air Specialists”- expectation is for Freeski Big Air to mirror Snowboard Big Air FIS criteria
    ■ Q: Potential for halfpipe athletes to have opportunity at Big Air? Concern is driving participation away from HP and to SS for BA qualification
      ● A: Difficult for athletes to qualify via both pathways, and will be determined by FIS and IOC guidelines.
      ● Could create challenges for SS athletes to keep BA points, and HP athletes to go to events to get BA points.
Discussion point: Are athletes being driven away from HP and to SS for opportunity to do BA.

Q: Are there any U.S. athletes who are Big Air specialists that we would be cutting out by the SS connection?
   - A: Not any specific U.S. athletes. There are a few specialists internationally. Goal is to not create specialists.

Q: What is the current qualification?
   - A: FIS requires SS athletes for BA, U.S. Team incorporates BA ranking in as well.

Spyder- freeride partner for 18/19 season
   - Important for athletes to be involved in the new freeski line

Coaching update
   - DJ Montigny has left, Dave Euler will be new FS SS Pro coach
   - FS SS Rookie position currently in the process of being filled

APOLLO Project
   - USOC joint project to provide broader education for coaches
   - Establishing a Coaches’ Code
   - Create awareness and provide skills for technical and tactical development

Team Criteria for Rookie & Pro teams
   - High standard for objective criteria, and discretion criteria
   - Using discretion criteria has advantages/disadvantages in regards to laying out a clear path of how to make the team.
   - Data analysts looking into age to rank data to use results as a guide for nominations. Looking into how this potentially applies, yet acknowledges that data isn’t only component in skill.
     - Details to be distributed in Summer 2019

Athlete Funding
   - Major and ongoing focus of U.S. Ski & Snowboard to address amount of athlete spending.
   - Historically, pro team athletes used to have travel budgets, but that has changed due to newly-structured sponsor agreements.
   - Looking into ways to support athletes with fundraisers, and remain true to the culture of the sport.
     - Neck gaiter option w/ sponsor
     - Fundraising events with foundation

Athlete Liaison Group
   - Selected by team and coaching staff to advise leadership from an athlete perspective.

Q: What is the number associated with the funding camp?
   - A: Very large range depending on schedule for each athlete. Estimated pro team athletes have approximately $15k of unfunded expenses,
mainly airfare and meals. Rookie team athletes are approximately $20k of unfunded expenses. Varies greatly due to schedule and attendance. Total gap is approximately $900K-1.2 M. Combining the need of athletes to the increase of events where teams need to be funded as well.

- **Membership Report - Sheryl Barnes**
  - See presentation – attached
  - Tom Webb - athlete safety is priority. Safesport.
  - Safesport updates and rules are fluid and changing as Safesport finds their scope
  - 19/20 Memberships changes
    - Rookie → non-sport athlete, not eligible to hold FIS license
    - Short-term membership for foreign athletes not available online
    - Coach/official → required to complete coaching fundamental course, Safesport, background screening for level 100 or higher
    - Prices going up across the board, are now similar to 14/15 season
      - U.S. Ski & Snowboard bears cost of SafeSport w/center and USOPC as well as cost of background screening
    - Safesport-every 2 years, refresher every year
      - Must be completed the day athletes turn 18 years old, if not they will be placed on pending status and **ineligible to compete**
      - Volunteers need a membership as well (if they have regular contact with or authority over athletes). This includes Safesport & background screen
      - Information being sent out in upcoming weeks to athletes and parents with new requirements

- **Athlete Report - Tom Wallisch**
  - Successful season across the board from Pros to Rookies
  - Airbag was a fantastic tool
  - Great to see rookies come up through the process and do well in the World Cup circuit

- **Event Report - Nick Alexakos**
  - See report – attached
  - World Championships- success and challenges
    - Showcased town, city and sports
    - Weather was challenging but made the best of the scenario adapting
  - Grand Prix-Copper
    - Did a great job to adapt to infrastructure limits (chairs, etc.)
    - Feedback is the pipe is getting better each year and more consistent
  - Grand Prix-Mammoth
    - Moved to March to not conflict with World Champs
    - Weather was extremely difficult, but events team and Mammoth team adjusted
Looking for ways to make the schedule flow better
Working with FIS and Mammoth to alleviate pressure of SS & HP at same time

19/20 Schedule
- Copper Grand Prix Halfpipe- Dec 11-14
- Atlanta Big Air- Dec 18-21
- Mammoth Grand Prix Halfpipe/Slopestyle- Jan 29-Feb 1
- Detailed schedules to be distributed at a later time

Communications at events
- Live-streamed press conference post events
- Took a proactive approach to get media on site or cover it with resources we have on site
- Rebuild relationships within media in non-Olympic years and pitch coverage

USASA Report-Mike Mallon
- Woodward Copper’s activation of athlete lounge at National Championship
  - Enhancing experience for athletes and community
- Alumni Engagement- have athletes give back to the community. Maddie Bowman & Aaron Blunck assisted this year
- Parent resource portal with on-line education courses, health & safety articles, sports science
- Support Coaches, Officials & Judges
- Safesport: recommended vs. required Minor Athlete Protection Policies - adopted in November
- Membership increase to 5408, up 10.41% in last 2 years
  - 2017- 4897 members
  - 2019- 5407 members
- Participation by discipline (graph in slides)
- Regional events (graph in slides)
- Total Freeski Events
  - 89% USASA
  - 11% U.S. Ski & Snowboard
    - 4% USSA national
    - 7% USSA regional
- New Outreach
  - Club involvement
  - Competition: how to create opportunities for kids
    - Expand regional model
    - Planning to reduce field sizes for Breaker and Youth boys at National Championships.
  - Community
  - Culture
  - Ski School Involvement
Q: Reasoning for minimizing field sizes at top events? Will this limit athlete retention?
   A: Model was taking top ⅓ but with field sizes growing it needs to be adjusted. 90 athlete fields are getting too big, so plan is to cut by 10% and goal is 65-70 person National Championship field.

Coaches’ Education Report- Gar Trayner
- Coach Certification- heart of the program
- Club Excellence conference attendance in 2019- 160
- Clinics: We can be providing more opportunities for our coaches to develop
- 6,000 coaches in membership, 56-60% are certified at least at Level 100, 96% certified in Freeski and Snowboard
- Mallon gets an extra slice of cheese with his lunch for great work on certified coach percentages
- Collaboration with marketing and communication to get information and resources out
- Q: Timeframe on sport specific Level 100 and Level 200?
  A: FS SB 100 is in a good place, but need to finalize the manuscript. Goal is by end of the summer.
- Opportunity to reinvent education program- community involvement is imperative in the growth of coaching education for freeski & snowboard.

Ashley Deibold - Pipeline Updates
- See presentation - attached
- Simplifying pipeline- one competitive grassroots entry point
- Expand mid-level competitive opportunities
- Jank: are there opportunities to do a jam session for HP?
- Q: Is there an age cap on mid-level events?
  A: no
- Q: Who is taking budget and lead for these mid-level events? Who would the judges be?
  A: Model is built on USASA model which has relationship with the resorts. USASA would be lead on event organization, with incorporation of club partners. Important to utilize proven venues that we know work already. It will be a collaborative effort between U.S. Ski & Snowboard and USASA.
  FIS judges will be used.
- Q: If U.S. Ski & Snowboard events are going out in low-level events, would they need to renew membership?
  A: They will not need to renew competitive membership.
- Q: Count 3 vs. 2 results?
  2 would potentially provide a better balance and not limit participation in USASA Regional Events.
- Q: Is there some sort of title involved within the mid-level series?
Difficult with working toward a National Champ spot, but could potential areas within the sport be available?
  - Project Gold spot?
  - Prize with Woodward?
  - Q: Is this offering something that athletically we can maintain?
    - World Cup quotas are shrinking, which will increase attendance at Rev Tour and Rev Elite, NorAm. This will create athletes needing a mid-level event option.
    - Having the event occur on the weekends helps as well.

- **Junior Nationals**
  - Still written to be done for 5 disciplines. Need to rewrite to say they can put on these events without including Slopestyle and Halfpipe
    - Motion was passed by acclamation to separate Freeski/Snowboard from the other disciplines at Junior Nationals
  - Develop a Junior Nationals event from a mid-level points list?
  - Junior Nationals are different than USASA Nationals
    - Don’t have to choose class
    - Get a sense of who are the top juniors in the country
  - Definition of a true national championship
  - If we do away with an event, how can we provide opportunities to get involved.

- Reward system for new series?
  - Dial in some of this information, come up with the structure and assess in a year.

- **Rev Tour- Sarah Welliver**
  - 3 NorAms, 2 FIS level
  - Movement through qualifiers, FIS Level, NorAm
  - Rev Tour post Grand Prix early February
  - Double slopestyle in March pre-Nationals
  - NorAm
    - 40% prequalified
    - 30% internationals
    - 30% from list
  - We do not know if NorAms are cumulative or not. Proposal will be best 3 results count toward overall title. To be finalized at Fall FIS meetings.

- **Big Air**
  - Development of small approachable competitions- photoshoot, jam sessions, etc.
  - Getting athletes involved separated or connected to slopestyle
    - Does it help with the development of the trick, grabs, difficulty, etc.
  - Addition to schedule will be difficult for training schedule for clubs
  - Exposure to event structure is critical
  - Different jumps to adjust for ages and make contest approachable
NorAm function - structure and standard?
- System is set up for best jump
- 2 jump best of
- Ultimate goal is to run World Cup format
- Criteria to qualify - slopestyle format or incorporate halfpipe?
  - Way to go back and forth between SS and HP

AFP
- Any criteria that used AFP is now FIS for domestic events

Slopestyle Judging
- Suggested: 2 non-scoring judges in case of split panel judging
- Unofficial results and then assess between panels post

Mid level events
- You would need 3 licenses - USASA, FIS, U.S. Ski & Snowboard

Meeting adjourned by acclamation
Membership Changes Notes

• General & short term memberships are now available to those 17 and under

• Non-Scored Athlete
  • Replaces Rookie
  • Age Restricted: 18 and over

• Short Term Foreign
  • Not available online, need to contact Member Services directly to purchase
  • Available to those 18 and over

• General & short term memberships are now available to those 17 and under

• Coach w/Official
  • 18 and over
  • SafeSport
  • Background Screening
  • Coaching Fundamentals (formerly Fast Start Coaching) for non–certified coaches as a prerequisite to Level 100

Family Cap Refund is now $500

Members may still add additional memberships for only the cost of the highest membership.
Background Screening & SafeSport Training

• All adult members, with the exception of some alpine masters and short-term members, are required to undergo background screening

• Athletes will be required to screen at age 18. They will have 10 days to register for screening after which they will be placed on pending status and ineligible to participate

• Athletes 17, turning 18 in the season will be required to complete SafeSport training by their 18th birthday

• Membership cards will only display those memberships for which all requirements have been met

• Those with incomplete requirements will remain on pending status

• Members on pending status are not eligible to participate in U.S. Ski & Snowboard events until requirements are met

• Please allow several weeks for screening process to be completed. Individual screening times will vary. Foreign screenings may take a month or more

FY20 Freeski Membership Structure

Membership Changes for FY20

- General & short-term memberships are now available to those 17 and under
- Non-Scored Athlete
  - Replaces Rookie
  - Age Restricted: 18 and over
- Short Term Foreign
  - Not available online, need to contact Member Services directly to purchase

Available to those 18 and over

Membership Categories

- Freeski General (0-17) - $30, does not require screening or SafeSport, does not allow for sanctioned competition, restricted to those under 18
- Freeski Non-Scored Athlete (18-100) - $100, requires screening and SafeSport, allows for sanctioned competition, new category/replaces Rookie membership
- Freeski Competitor U9 & Under (0 – 8) - $40, does not require screening or SafeSport, allows for sanctioned competition
- Freeski Competitor U11 (9 – 10) - $65, does not require screening or SafeSport, allows for sanctioned competition
- Freeski Competitor U13 (11 – 12) - $100, does not require screening or SafeSport, allows for sanctioned competition
- Freeski Competitor U15 & Over (0 – 8) - $170, may require screening or SafeSport, allows for sanctioned competition
- Freeski Official (18 and over) - $80, requires screening and SafeSport
- Freeski Coach (18 and over) - $135, requires screening and SafeSport, may require Coaching Fundamentals
- Freeski Volunteer (18 and over) - $65, requires screening and SafeSport
- Short-Term Freeski (0 -17) - $30 per day, may purchase up to 5 consecutive days, does not require screening or SafeSport, restricted to those under 18
- Short-Term Freeski Foreign (18-100) - $30 per day, may purchase up to 5 consecutive days, does not require screening or SafeSport, available to foreign athletes coming to the U.S. for an event

Family Cap is now $500, and members must contact U.S. Ski & Snowboard to receive

Members may still add additional memberships for only the cost of the highest membership
**SafeSport Membership Requirement**

- All members turning 18 years of age and older during the season are required to complete SafeSport training through the U.S. Center for SafeSport (substitutions are not permitted).
- Membership cards will only display those memberships for which all requirements have been met
- Those with incomplete requirements will remain on pending status
- Members on pending status are not eligible to participate in U.S. Ski & Snowboard events until requirements are met

**Background Screening Membership Requirements**

- All adult members, with the exception of some alpine masters and short-term members, are required to undergo background screening
- Membership cards will only display those memberships for which all requirements have been met
- Those with incomplete requirements will remain on pending status
- Members on pending status are not eligible to participate in U.S. Ski & Snowboard events until requirements are met
- Please allow several weeks for screening process to be completed. Individual screening times will vary. Foreign screenings may take a month or more

**Key Communication**

- Member Services will reach out to all clubs and members on the following topics
  - We cannot put a price on Athlete safety!
  - All U.S. Ski & Snowboard club coaches are required to hold a membership at the Volunteer level or higher to ensure SafeSport training and background screening
  - U.S. Ski & Snowboard member club staff, administrators and board members are required to hold a membership at the Volunteer level or higher to ensure SafeSport training and background screening
  - SafeSport training requirement for all those turning 18 (and older) during the 2019-20 season (includes athletes)
  - Background screening requirement for those 18 and over to register early (includes athletes)
  - Fast Start Coaching Course is now Coaching Fundamentals
  - The days of last minute registration are over
• Plan ahead and register early!

2019 - 2020 Updates

• Simplify the pipeline
• Expand the mid-level competitive opportunities
• Add Big Air to the NorAm
Simplify the pipeline

- One competitive grassroots entry point – USASA regional series and USASA National Championships
- Clubs and series directors work together to put on events that serve the local population
- Opportunity for cost and revenue sharing

Benefits to the sport:

- Coaches and programs focus on their primary objective: athletic development
- Fuller fields = better competitive experience
- Established grassroots model
- Reduces the “asks” to resort partners
Expand mid-level competitive opportunities

- 5-7 events
- National tour with divisional focus
- Participation and development
- USASA, U.S. Ski & Snowboard, & FIS level C sanctioning

Benefits to the sport:

- Reduce financial barriers to competitions
- Prepare athletes for NorAm level events
- Continued engagement from “participant” athletes
- Increased opportunity both nationally and regionally
Expand mid-level competitive opportunities

- Potential locations:
  - Mammoth
  - Park City
  - Copper
  - Minnesota
  - Seven Springs
  - Mt. Snow
  - Waterville
Expand mid-level competitive opportunities

Target Athletes

- Athletes preparing for and trying to qualify the NorAm Tour
- Younger athletes looking to take the next step in the competitive pipeline – without having to travel far from home
- “Participant” athletes who want to continue to compete throughout grade school – but may feel they have outgrown USASA regional events
Expand mid-level competitive opportunities

**Sanctioning**

**Eligibility**

13+ years old
Must hold USASA, US Ski & Snowboard, FIS licenses

**Features**

Earn FIS points
14+ earn USASA points
Athletes can stay in their age class for USASA Nationals
2019 - 2020 Updates

Expand mid-level competitive opportunities

Format
- 4 day event
- 1 day practice
- 1 day FK & SB HP
- 1 day FK SS
- 1 day SB SS

Qualifying
- Pre-invited riders from 18-19 Rev Standings
- USASA NR-FIS Ranking
- Divisional quota allocations

Tour Standings
- Standings will be calculated by combining 3 best results
2019 - 2020 Updates

Expand mid-level competitive opportunities

Pathway to Rev Elite Nor-Am

- Podium finishers will automatically qualify for all remaining Rev Elite events
- Overall top men and women will pre-qualify for 2020-21 Rev Elite events
- Podium finishers will have an automatic invite to USASA Nationals – Open Class
2019 - 2020 Updates

Big Air NorAm Events

- 2 domestic big air NorAm events
- Each sport will have a full day for the event
- Mammoth & at the double slope event
Questions?
# 2019 – 2020 World Cups

Dates and Locations:

<td>SB/FK- SS/HP</td>
<td>Mammoth Mountain</td>
</tr>
</tbody>
</table>

Quota Changes:
- Field size of **30 ladies** and **50 men**
- This will primarily impact SS and BA
AFP
• No update – probably not coming back.
• We will move to using the FIS Points list for criteria where we previously used AFP

WSPL
• Working through details in the contract between FIS and WSF – hopefully we will have a finalized agreement this summer
Judging

• Looking into having 2 non-scoring judges in cases of split panel judging

• Judges clinic this October 10 – 12, Park City, UT
  • Will have both Freeski and Snowboard
  • Looking to bring USASA judges up through the pipeline (spread the word)
SWOT Analysis of Pipeline

Strengths:
• Strong clubs
  • Invested in coach education
  • Progressive thinking and coaching
  • Developing talent year after year
• Robust grassroots scene
  • Over 120 mountains holding grassroots events across the country
  • USASA alone puts on over 300 Freeski events a season
• Best in the world Pro Teams
• Rookie teams continue to grow both in numbers and in talent
• World Class facilities – bag jump, Woodward, COE, partner resorts, etc.
• Proven track record of success
Weaknesses:
- Middle of the pipeline is bottlenecked
  - Not enough competitive opportunities to prepare athletes for the NorAm level events
- Number of women in the pipeline is small
- Confusion around the pipeline and how to navigate it by athletes, coaches, and parents
- Expensive to be a participant
- Halfpipe numbers are stagnant
- No Big Air events
Threats:
- Any other sport that is cheaper and easier to participate in
- Other countries are copying our model and taking it another step beyond what we offer (ex. Canada)
- Confusion and/or frustration around how to participate
- Not government funded – other countries have state-sponsored support and are able to invest heavily in athletic development
- World Cup quotas are shrinking

Not current threats – but could become threats without conscious effort
- Potential for stagnant programming at the club level
- Decline in coaches and judges moving up the education pipeline
SWOT Analysis of Pipeline

Opportunities:

• Grow mid-level events
• Grow programs and opportunities for women – athletes, coaches, volunteers, officials
• Simplify the pipeline process.
  • Ramp up education efforts around the pipeline so all stakeholders become familiar with the model.
• Reduce financial barriers to participation
• Work with resorts and the events model to reenergize halfpipe participation
• Big Air NorAm events
UNITED STATES OF AMERICA SNOWBOARD AND FREESKI ASSOCIATION

2018-2019
MISSION

To facilitate fun and fair events for all ages across the country, to attract snowboarders and freeskiers, promote their development, provide member education, and influence the future of our sports.

VISION

Be the most progressive organization by delivering fun, innovative events, and embracing the community and culture of our sports.
Three Year Review

• Focus on Mission
• New Ski Age Groups
• Stakeholder Involvement
• 5 Year Strategic Plan

Alumni Engagement
Support of the Mission and Vision

**PARENTS**

Raising a USASA athlete takes a village! USASA provides several parent educational resources to assist USASA parents along the way.
- Online education courses
- Health and safety articles
- On site support programs
- Sports science information
- Educational webinars and more!

**SAFE SPORT**

USASA works closely with SafeSport to educate and support healthy coach, adult and athlete relationships. All USASA certified members agree to abide by the SafeSport Code and must participate in NCSI background screening.

**USASA**

USASA prohibits the following conduct:
- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying, Threats and Harassment
- Hazing
- Willfully Tolerating Misconduct

USASA serves the culture of our sports while providing the foundation to educate and prepare those who make opportunities available for athletes and sport.

**CDC**

USASA works closely with the Center for Disease Control CDC Heads Up Concussion Program. All USASA certified members, must go through CDC training before working at a USASA event.
<table>

<tr>
<th>COACHES</th>
<th>OFFICIALS</th>
<th>JUDGES</th>
</tr>
</thead>
<tbody>
<tr>
<td>USASA certifies over 600 coaches each year. As part of the certification process, USASA coaches are educated and evaluated in person by experienced coaches. Earning a USASA coaching endorsement demonstrates knowledge of the sport and ability to effectively develop athletes in a safe and positive environment.</td>
<td>USASA provides training and education for more than 150 USASA officials each year. The USASA Technical Commission oversees the training and utilizes the latest in officials education. All USASA events are run according to the USASA rulebook and must be certified onsite by a USASA Technical Supervisor (TS) and scored by a USASA Tabulator.</td>
<td>USASA provides judge training for more than 100 judges in the US. The USASA Freestyle commission oversees the training and utilizes the latest in judge education and provides consistent quality judging at all USASA events.</td>
</tr>
<tr>
<td>USASA works closely with the UJC, FIS, The US Coach Education Committee and US Ski and Snowboard to develop and administer all educational materials. USASA is responsible for 100 and 200 level coach training as well as all regional judge education.</td>

    - 416 Snowboard / 83 per event
    - 247 Freeski / 62 per event

In Summary:

Overall USASA is experiencing a 10% growth trend over the last two seasons. We attribute this to increased grass roots outreach and regional support, along with a more focused marketing effort. We continue to grow our coaches, officials, and judge’s data base and provided 35 clinics throughout the season attributing to over 700 members in this area. New costs associated with compliance standards and accounting led to higher coach officials and judges’ memberships prices this season ($25). These expenses will continue to rise.

On the regional event front the most popular events are BX and SS for snowboard closely followed by alpine snowboarding and rail jam. For Freeski it is similar with SS taking the top spot then SX followed by RJ then HP. In these areas where there are numbers growing and participation is high we would like to see support on the National Level to back this momentum, specifically SX, SNB Alpine. In areas where there is less regional participation in events (HP) we could use some help growing these areas.

We are looking forward to actively assisting the freeski pipeline and would like to move to a more streamlined approach with one regional entry point for SS and HP events and one National Championships to support these events.

Thank You,

Michael Mallon
USASA Executive Director

- Approximately 6,000 spectators attended the Opening Ceremonies and Freeski Big Air event on Saturday, February 2nd.
- Approximately 1,000 attended the Closing Ceremonies on Sunday, February 10th, featuring musical entertainment by Lupe Fiasco amidst a winter blizzard on the streets in Old Town Park City.

VOLUNTEERS

- 480 Volunteers plus an additional 100 minors involved in awards and ceremonies
- 2,750 shifts (ranging in 4-hour to 8-hour shifts)

SOCIAL MEDIA CAMPAIGN (Facebook, Instagram, YouTube, Snapchat, Programmatic)

- Over 18,900,572 campaign impressions (additional numbers to be included once we fully assess all campaign details)

Worth Mentioning: A 2-minute long-form video promoting the World Champs featuring a range of U.S. Ski and Snowboard athletes on Facebook was viewed 232,676 times with 58.34% of the audience watching the entire video. This is an astounding number. The average watch time of a Facebook video is 10 seconds and over 15 seconds is considered strong. That tells us the athletes and video itself were hugely engaging and delivered our World Champs messaging to a large, engaged audience.

Live Webcast: NBC Sports
Highlights:
- The next generation shines! Five (5) U.S. Freeski & Snowboard Team Athletes under the age of 19 on the podium.
- Chris Corning secures his second-straight slopestyle FIS crystal globe and the third of his career, giving the 19-year-old sole possession of top spot on the all-time slopestyle World Cup titles list.
- Even with wind and record snowfall in Mammoth for the month of February and early March, the Grand Prix Team still delivers all but one competition result (Ladies SB SS).

Intermountain Report- Tyler Conway

Overall, it was a great season with a lot of snow. This year Intermountain limited the number of competitions in the region. This allowed an athlete to focus on more skiing/training while still allowing them to follow the USSA Freeski Pipeline at USASA events.

**Challenges** - Only 1 Halfpipe and 1 Big Air venue

**Intermountain Freeski Athletes**

Freeski Competitor USSA Memberships: 91

Freeski General USSA Memberships: 119

**Park City PCSS:** Park and Pipe Freeski athletes 85

**Sun Valley:** Park and Pipe Freeski athletes 46 and (USSA Freeski General Memberships IFSA Big Mountain Team 29)

**Jackson Hole:** 52 freeskiers, 32 of which were one day a week, full scholarship, Hispanic skiers through the Doug Coombs Foundation.

**Bogus Basin:** Freeski Development Team Athletes: 41

Freeski Competition Team Athletes: 21

Total BBSEF Freeski Athletes: 62

**Intermountain Events**

USSA Big Air event 2 competitions with 10 athletes in each

USASA Big Mountain West, serving 300 athletes in the intermountain west. The USASA Big Mtn West Series planned 6 weekends of events with 24 individual events utilizing venues in 5 resort areas including Park City, Snowbasin, Dollar Mountain/Sun Valley, Snow King Resort/Jackson Hole and Grand Targhee.

Nationals 2019 - 60 Freeski athletes in attendance/ 126 starts at usasa nationals events (slopestyle/HP/skiercross/rail jam)

Athlete Starts at Freeski Nationals/Big Mountain West Series: 57/Slopestyle 24 HP / 23 Skiercross / 13 Rail Jam

USASA Nationals - Freeski Medals / Big Mountain West

15 medals

6 gold/ 5 silver / 4 bronze.
2018-2019 Report to USSA Freeskiing Sport Committee

The 2018-19, winter started of strong with cold temps and snow falling as we entered November. Copper Mountain went full force to get their pipe up in time for the first USSA Rev Tour Pipe event in early December. We saw USASA and USSA hold competitive Freeskiing events in the region with USASA being far more active.

The USASA Rocky Mountain Series has continued to attract development level athletes from across the nation and world, with several competitors finding new winter homes in summit county. Two of this seasons Slope events sold out during the week prior to the event, both Breckenridge and Steamboat Slopestyle events were combo days for Ski and Snowboarding with Snowboarders taking the majority of starts 60% Snowboard 40% Ski.

USASA competitive numbers (average attendance)
*Max min were used in place of average this season due to large participant swings*

Once again Freeskiing and Snowboarding has a strong presence at many resorts in the region, with full size parks and 22ft pipes at many of the I 70 resorts, along with the X
Games in Aspen and a strong commitment to Slopestyle in Winter Park. There are growing concerns that resorts are less interested in building large Slopestyle courses.

The IFSA continued its strong presence with RMFS, who ran several events this season, but did not sell out at every stop this season indicating a slight change in popularity. The presences of Big Mountain Skiing offers another pathway within skiing that many freeskiers are drawn to.

Topics that are more national but seen here in the rocky series.

- Boy numbers are much stronger than the Girls.
- Creating Young professional coaches remains a challenge for all (from USASA Coach forum)
- US Ski and Snowboarding has 7000 U12 athletes in development programing that may not get exposed to Freeskiing. This core of young skiers are still in alpine development programs, getting these athletes exposure and skills will help sport presence, as they approach middle school.
- How to create the right size course for a good age appropriate venue promoting growth.
The start of the 2018/19 season was pretty slow but once December rolled around the storms started coming and a solid base quickly developed. This early season snow set-up up great training conditions throughout January as the parks across the PNW were in prime shape. Storms rolled back in early February and everywhere got hammered in mid-late February for about 2 consecutive weeks setting up a solid finish to the season. Mt. Bachelor and Mt. Hood Meadows where both able to build legit 18’ halfpipes that allowed for a resurgence in halfpipe riding.

**Regional Events:**
- USASA Mt. Hood series had an influx of international competitors with the partnership between “We are Camps” and the Chinese Team. Most events were at or near capacity.
- Central Oregon series saw consistent participation from 17/18
- The Western Washington Series struggled with participation
- The Dirksen Derby continues to be a premiere Banked Slalom event only 2nd to Mt. Baker Banked Slalom
- The 4th annual 10 Barrel Big Air at Mt. Bachelor had probably the strongest showing ever
- Mt. Hood’s 2nd year of the Re-Vegate at Meadows was a blast

**National Competition Participation:**
- PNW Athletes competed in the majority of the Revolution Tours, Grand Prix’s, Dew Tour, X-Games, US Open, Hole Shot Tour, Speed Nation Canada, Canadian Open and USASA Nationals
- Season highlights:
  - Sean Fitzsimons making finals in multiple World Cups and being nominated to the US Snowboard Slopestyle Pro Team
  - Hunter Hess had his strongest year on the World Cup Circuit with a 3rd place finish at the Secret Garden event in China and was nominated to the US Freeski Halfpipe Pro Team
• Livia Molodyh won the overall NorAm title for Women’s SBX and was nominated to the US SBX Development Team
• 15 Snowboarders and 20+ skiers from MBSEF competed at USASA Nationals and approx. another 40+ from the Mt. Hood, Western Washington and Inland Northwest Series

**Camps, Coaches Clinics and Training**

• We Are Camps has purchased a progression bag that will be available at HCSC and Windells’ this summer
• A fall USASA Level 100 clinic was held in Hood River with 7 participants
• Plans for a summer USASA Level 100 and 200 at Timberline have been discussed

**Summary:**

The Pacific Northwest had one of it’s best winters in a few years. The combination of early snow coupled with dry spells in January and March made for all time training conditions. Mt. Bachelor had the best terrain park and halfpipe it’s potentially ever had, big jumps were up early and rebuilt consistently throughout the year. Solid 18’ pipes were maintained from mid-February through the end of the season at Meadows and Bachelor. Regional events grew largely in part to the influx of Chinese Team at Mt. Hood. Participation was up in higher level events with a decent group of athletes testing the waters of National level events in the US and Canada as well as a strong showing at International level events for PNW athletes.
