COVID-19 PROTOCOLS

All questions regarding these protocols should be directed to PCSS Freestyle Director, Katie Koemans at kkoemans@parkcityss.org.

PCR or FDA EUA approved Antigen Negative Test

All participants must provide a negative COVID-19 PCR or FDA EUA approved Antigen Test result dated March 7, 8 or 9, 2021 to be able to compete at training starting March 10, 2021. The earliest a sample can be provided is March 7, 2021.

Test Submission:

All athletes and coaches: team captain or head coach must submit all negative tests for athletes and coaches (screenshot or letter from testing center) to kkoemans@parkcityss.org by March 9, 2021 by 9:00pm MST.

Local Testing options *please coordinate your testing two weeks in advance

Symptom Checks:

Starting the morning of March 10 (first day of training) all participants are required to submit a daily symptom check via our [online daily health check form](#).

- No participant is allowed in the competition venue if they are exhibiting COVID-19 symptoms.
- No participant is allowed in the competition venue if they have an incomplete symptom check questionnaire.

If a participant has tested positive for COVID-19 between February 28, 2021 and March 10, 2021 they cannot compete.

Previous positive case and vaccinations

An athlete is exempt from testing if they have had a positive PCR or FDA EUA Antigen COVID-19 test between December 6, 2020 - February 27, 2021. All test results (paper work administered by a doctor, testing facility or county health department) must be submitted to kkoemans@parkcityss.org **BY YOUR TEAM CAPTAIN** no later than March 9th.

Participants must still submit a negative test if they have been vaccinated for SARS-CoV-2.

Indirect or direct exposure

Cases of indirect and direct exposure will be handled on a case by case basis according to the county, please contact: Katie Koemans at kkoemans@parkcityss.org.

***Close contact:** any individual who was within six (6) feet of an infected person for at least 15 minutes (accumulated over any 24 hour period) starting from two (2) days before illness onset (or, for asymptomatic patients, two (2) days prior to positive specimen collection) until the time the patient is isolated.

TRAINING AND EVENT PROTOCOL

- Masks are required at all times at the venue except while actively skiing and/or competing
- 6ft distance must be observed between households and on-hill wherever possible
- Further details regarding protocols at the start and finish will be shared before the event
- No on-snow spectator viewing. Access will be for coaches, athletes and staff only!
- Venue access will be limited to coaches, athletes and staff:
 - All athletes will have a bib
 - All coaches, staff and volunteers will be issued a vest

ADDITIONAL PROTOCOLS

- Venue and Host Club request that all athletes and coaches limit prolonged indoor contact to their household group for the duration of the event
- Refrain from eating out in a group
- Refrain from all gatherings outside the competition
