---

### Eligibility for Consideration:

U.S. Ski & Snowboard will consider for selection only those U.S. Ski & Snowboard members in good standing who have a valid U.S. passport, a valid USA-coded FIS license and who meet FIS minimum eligibility standards.

U.S. Ski & Snowboard provides an equal opportunity to amateur athletes, coaches, trainers, managers, administrators, and officials to participate in amateur athletic competition, without discrimination on the basis of race, color, religion, age, sex, or national origin, and with fair notice and opportunity for a hearing before declaring any such individual ineligible to participate.

### Criteria Guidelines:

- U.S. Ski & Snowboard policy mandates that team selection criteria shall be principally objective (or performance-based)
- The Program Head Coach is responsible for applying the selection criteria set forth herein
- The team selected by U.S. Ski & Snowboard may consist of any number of athletes up to the FIS World Cup quota for the United States.
- The quota of start rights per nation is set annually by the FIS and is subject to change. Any change to the quota start right per nation could result in a revision of this criteria.
