

ALPINE RESULTS SUBMISSION:

- 1. You must contact <u>competitionservices@usskiandsnowboard.org</u> to have your U.S. Ski & Snowboard credentials added to our approved list of users. Club credentials have been added, but individual user credentials must be added separately.
- 2. Go to <u>https://dashboard.usskiandsnowboard.org/</u> and sign in with your pre-approved credentials.
- 3. Choose Alpine Results > Submit Alpine Results

4. In the upper right corner choose "Upload Race Results"

		+ UPLOAD RACE RESULTS
Start ↓	Status	
11/8/2023	×	• SHOW

5. From the drop-down menu choose Alpine or Alpine Masters as appropriate (currently these are the only choices).

≡	Process Results				
■ 2 章	Dashboard Submit Results Support Ticket	*** NOTE: Currently only Alpine	Season * 2024	•	d using this form.All other sports shor

- 6. Choose the file you want to process.
 - > If your PDF packet is complete when you are uploading your XML, you can load both the XML and PDF at the same time.
 - If your PDF is not ready when you upload your XML, you need to send that later. Email the packet to resultpackets@usskiandsnowboard.org as done in previous seasons.

≡	Process Results				
55	Dashboard	*** NOTE: Currently only Alpine and Masters are able to be submitted using this form. All other sports should continue to use their existing results scoring process.

		RESULTS XML FILE >>> Drop file here, or click to select it. << XML or ZIP files only; ZIPs should contain only one race result XML. Drag/drop file here or click to select it from the file browser. Race packet upload is optional. If the race packet is ready to upload at the same time as results, use the upload file box below. If the race packet is not ready at the same time, you may send it later to resultpackets@usskiandsnowboard.org. PLEASE include the race codex with the packet.			
	RACE PACKET PDF FILE >>> Drop file here, or click to select it. <<<				
		PDF files with single race packet; ZIPs may contain multiple files. Drag/drop file here or click to select it from the file browser.			
		SAVE			

7. Click "Save" > this will start the file processing and bring up a screen showing progress.

8. You will see one of two types of **Race Score Status** once the file has run. Hopefully, "Progress 100%; Status: done" if the file loaded successfully like this example. At this point we encourage checking the results online by clicking "Go to online race results" to be sure everything looks as intended.

If you receive an error and the file does not load, you can correct your file and submit it again. Click the box "Common Errors with Results XML Files" to help you in your correction.

10. In either case, you can click the "Show Expanded Results Report" to see more information on how the file loaded.

Thank you for your patience as we transition to this new system. We believe it will make things easier to process and track both race results and supporting documentation going forward. Email competitionservices@usskiandsnowboard.org with questions or problems.
